so classy**

★ **WHAT** a stunner! This gorgeous body with its sleek lines and classic good looks is a real eyecatcher – and the car's not bad either.

Lovely Marcia Douglas, 20, was helping to unveil the Scots-built Haldane HD100 sportscar yesterday.

Lanarkshire, are hoping to storm Europe with their little beauty, thanks to a cash injection from British Steel.

The HD100 will cost £16,000 fully made up, or £10,000 in kit form.

★ Company director Brian Harrison described the 130mph dream machine as the "perfect marriage of 1990s technology with the charm and charisma of motoring's golden age."

But when it came to describing sexy Marcia, he was lost for words.
