### Item Information:

HI, THANKS FOR VIEWING MY HALDANE KIT CAR BASED ON A REPLICA OF A 1950's AUSTIN HEALEY 100  
WAS BUILT IN 1984 BY A GARAGE WHO WERE WIDELY INVOLVED IN RALLYING IN THE 1970's AND 80's  
HAS JUST BEEN OVERHAULED AND MOTD FOR A YEAR AFTER AROUND 10 YEARS IN DRY STORAGE  
ITS A VERY USEABLE AND ENJOYABLE CAR TO DRIVE. I HAVE KNOWN THE CAR FOR THE LAST 20 YEARS OR SO, OVER WHICH TIME UP UNTIL GOING  
STORAGE WAS USED DAILY AND OFTEN COVERED HUNDREDS OF MILES AT A TIME ON TOURING TRIPS ETC.  
THE CAR IS REGISTERED AS A HALDANE ON THE LOG BOOK  
FITTED WITH A FORD ESCORT MK1 RS2000 ENGINE IT HAS A MODIFIED HEAD, ALLOY SUMP, AND TWIN CHOKE WEBER CARBURATOR  
FORD GEARBOX  
BACK AXLE IS FROM A OPEL MANTA "A" WITH SPAX COIL OVER ADJUSTABLE SHOCKERS  
FRONT AXLE IS VAUXHALL CHEVETTE AGAIN WITH ADJUSTABLE SHOCKERS  
THE CAR RUNS AND DRIVES FINE AND IS IN VERY GOOD CONDITON THROUGHOUT, BUT IS GETTING READY FOR A BIT OF COSMETIC WORK IN THE OD  
HAS A HOOD, TONEAU COVER AND BOOT CARPET BUT ALL THREE ARE A BIT TATTY  
THIS CAR IS READY TO USE AND IS A REAL HEAD TURNER, HAS BEAUTIFUL LOOKS AND LINES WITH A BIT OF IMAGINATION IT COULD BE STUNNING  
IF YOU WOULD LIKE TO KNOW ANYMORE OR TO VIEW THE CAR I WOULD PREFER TO BE CONTACTED ON 07989632624 RATHER THAN E MAIL  
CAN DELIVER ANY WHERE AT A VERY REASONABLE PRICE  
DO HAVE THE CAR ADVERTISED ELSWHERE SO MAY REMOVE AT ANY TIME  
THANKS FOR VIEWING
