

Pilgrim Haldane 300 in Holland.

This car was delivered new in 1999 to the Dutch importer at that time in Holland, “World of Cars” in Lelystad. This car was partially built, drivetrain and other major components but never finished. Car is now (26 Jan 2014) for sale at KitCarCollection in Holland, estimated at €12.5000,-

Wiring, interior and body painting are the major jobs that will have to be done.

Car is equipped with 2.9V6 Ford Scorpio 160 bhp engine, MT75 gearbox and limited slip differential. Most parts come with this car except a few things like door handles.
